APAT

ACCOUNTING PRACTICAL APTITUDE TEST

We often find aptitude tests in many fields like numerical reasoning test, inductive reasoning tests, in-tray exercises etc. Aptitude means an innate, learned or acquired ability of an individual to perform certain tasks. Aptitude test is a systematic means of testing a candidate's abilities to perform such tasks. It is normally difficult to find a practical aptitude test in the field of accounting. The queries about how one can decide whether he is eligible for a career in accounting field or not, made us to bring a novel and unique practical aptitude appraisal tool in accounting. In fact everyone needs a skill fitness certificate for an accounting career too.

ABOUT US

Accountants Academy is a commercial training development institute, a pioneer in practical accounting for two decades, can effectively implement such an aptitude test successfully in this field. We are a team of professionals who understand changing trends of accounting world and can fulfill the quest of persons who wishes to enter into the amazing world of accounting. We focus in imparting practical knowledge to everyone approaching us with wide variety of courses at various levels of accounting.

Every career option requires a particular aptitude combination that should match with individual's potential ability to grow with that career. We have an expert panel of professionals to assess the real aptitude in an individual who approaches us. Experts can guide to choose their right career path. Key skills are identified and groomed accordingly. In reality a filtration process is done for a student having high level achievement target in his mind in the field of accounting.

STRUCTURE OF APAT

- ▶▶ Syllabus will be given in prior to the respective tests.
- ▶▶ One-day orientation class will be conducted.
- ▶▶ A test will be conducted based on the syllabus provided at our partner schools colleges or our own centers.
- ▶▶ Syllabus and test related information will be available in our web site.

APAT is done in 3 LEVELS.

Level 1 Focuses on XI completed commerce students,
level 2 focusing on graduates and Level 3 for working accountants or Job seekers

A P A T LEVEL – 1

XI completed commerce students

It is an appraisal test, to guide their future study plans on professional accounting courses (C.A, ACCA, CS, CMA etc.) and also for their future accounting career.

- » Written Test Level 1 (offline)
- » Qualified students have to attend face-to-face interview with an expert
- » APAT certificate for every participant
- » Top scorers will be provided scholarships who enrol in our future educational program.

A P A T LEVEL – 2

Under Graduates

- » Written Test Level-2 (offline)
- » Qualified students have to attend face-to-face interview with an expert
- » Top scorers will be provided scholarships who enrol in our future educational program.
- » APAT certificate for every participant

A P A T LEVEL – 3

FINANCE

Working Accountants or Job seekers

- » Test (written & practical) will be conducted in any of our training centers
- » Face - to- face interview with an expert
- » Certificate of proficiency credibility as an accountant will be provided to them or can be sent to their employer, if requested.

APAT will provide awareness to those who want to fix up a career in accounting field and also provide a quality assurance to employers who need qualified accountants in any level of accounting. APAT is a test by which we can assure if a person is apt for a profession in accounting field. Our main aim is to provide an 'Accounting Skill Fitness Certificate' to one who is eligible for a profession in accounting field through APAT certification.
